Re: Moabi Mobile Home Park

We hope that you can join us on Friday, March 23, 2012 to discuss upcoming management changes at Park Moabi. As you may have heard, the San Bernardino County Board of Supervisors will undertake an item that will lead to Pirate Cove taking over the day to day management of the Park. With the approval of the Board of Supervisors these management changes will take effect on April 1, 2012.

Once the change is approved Regional Parks will begin a transition period to turn over all day to day operations to Pirate Cove. I am sure you have a lot of questions and we desire to see that all your questions are answered. So please join me along with Pirate Cove staff on Friday March 23, 2012 at 1:30pm in the clubhouse.

I look forward to seeing you there.

Sincerely,

Keith Lee
Regional Parks Director
