RECOMMENDATION:

- (1) Approve Economic Development Committee Strategic Vision Activities for the period of July 1, 2014, through June 30, 2015.
- (2) Identify and Appoint Members to Economic Development Committee Strategic Vision Activities.

BACKGROUND: Approval of these Strategic Vision Activities will allow the Economic Development Committee to align tasks, programs and projects with the adopted Strategic Vision and Local Strategic Workforce Plan for Program Years 2013-2017 for the period of July 1, 2014, through June 30, 2015.

During the Executive Committee Strategic Planning Retreat, May 7-9, 2014, the Executive Committee developed a Vision Statement for the Workforce Investment Board (WIB) as well as drafted Vision Statements for each of the WIB standing committees. The purpose of these vision statements is to help the committees identify strategic activities and tasks that align with the overall WIB Vision Statement.

On June 4, 2014, the Economic Development Committee members proposed specific strategic vision activities to be accomplished during the period of July 1, 2014, through June 30, 2015. The relevance and priority of these tasks is determined by its correspondence to the Local Strategic Workforce Plan Program Years 2013-2017 and its performance measurability. Following the June 4, 2014 meeting, Economic Development Committee members volunteered to oversee and facilitate the accomplishment of specific tasks related to their interest or field of expertise and experience. This item provides a framework and timeline for the committee to accomplish their strategic activities and tasks.
