

Agriculture / Weights & Measures

ROBERTA Y. WILLHITE
Agricultural Commissioner/Sealer
ALLEN J. LAMPMAN
Assistant Commissioner/Sealer

ATTENTION

The Pest Control Business Registration process in San Bernardino County has changed.

As of 2018, yearly registration paper forms will no longer be automatically mailed to individual businesses.

Instead, you may either go to our website www.sbcounty.gov/awm where all of the registration forms and information are accessible and may be printed out or you may opt to have the electronic documents sent to the current email address on record for your business in the CalAg Permits use reporting system.

If you need to update the email address or mailing address for your business, please fill out the information below and return this letter to us.

Business Name: _____

Business License : _____
