

The County Women's Network presents:  
**Human Trafficking in San Bernardino County**

We had such an amazing response  
to the first showing that we are  
bringing it back:

Human trafficking and commercial sexual exploitation have been a hidden plague on our county, state, and nation for many years and has continued to grow and evolve significantly over the past several years. *Teenage Sex 4 \$ale: Human Trafficking in San Bernardino County* is the Emmy-nominated documentary created by Chris Lee of the San Bernardino County District Attorney's Office that delves into the problem of sexual exploitation in the nation's largest county.
