

# The County Women's Network presents: SB County Public Health Lab

*Ebola Virus*

*Pertussis*

*West Nile*

- ♦ September 24, 2014
- ♦ 11:30am—1pm
- ♦ SBPEA Conference Room  
433 N Sierra Way  
San Bernardino, CA

What can you do to protect yourself?

To protect your family?

What is the County doing to protect its citizens?

.....

The Public Health Lab will be speaking about the Ebola Virus, West Nile and Pertussis. What can you do to protect yourself? What is the County doing to protect its citizens? These questions and more will be answered at this meeting. Hope to see you there!

**Please RSVP by Friday, September 19 to
