# San Bernardino County Community Cradle to Career Roadmap

Where every student has the “mindset and disposition” for college and career readiness\*

## A Collective Impact Approach to Achieve Our Countywide Vision

\*College and career readiness refers to the content knowledge, skills, and habits that students must possess to be successful in postsecondary education or training that leads to a sustaining career. A student who is ready for college and career can qualify for and succeed in entry-level, credit-bearing college courses without the need for remedial or developmental coursework.

## Mission

To produce an educated and skilled community  
that provides a qualified workforce  
for the continued economic well-being  
and improved quality of life  
for all residents of  
San Bernardino County

# Goals

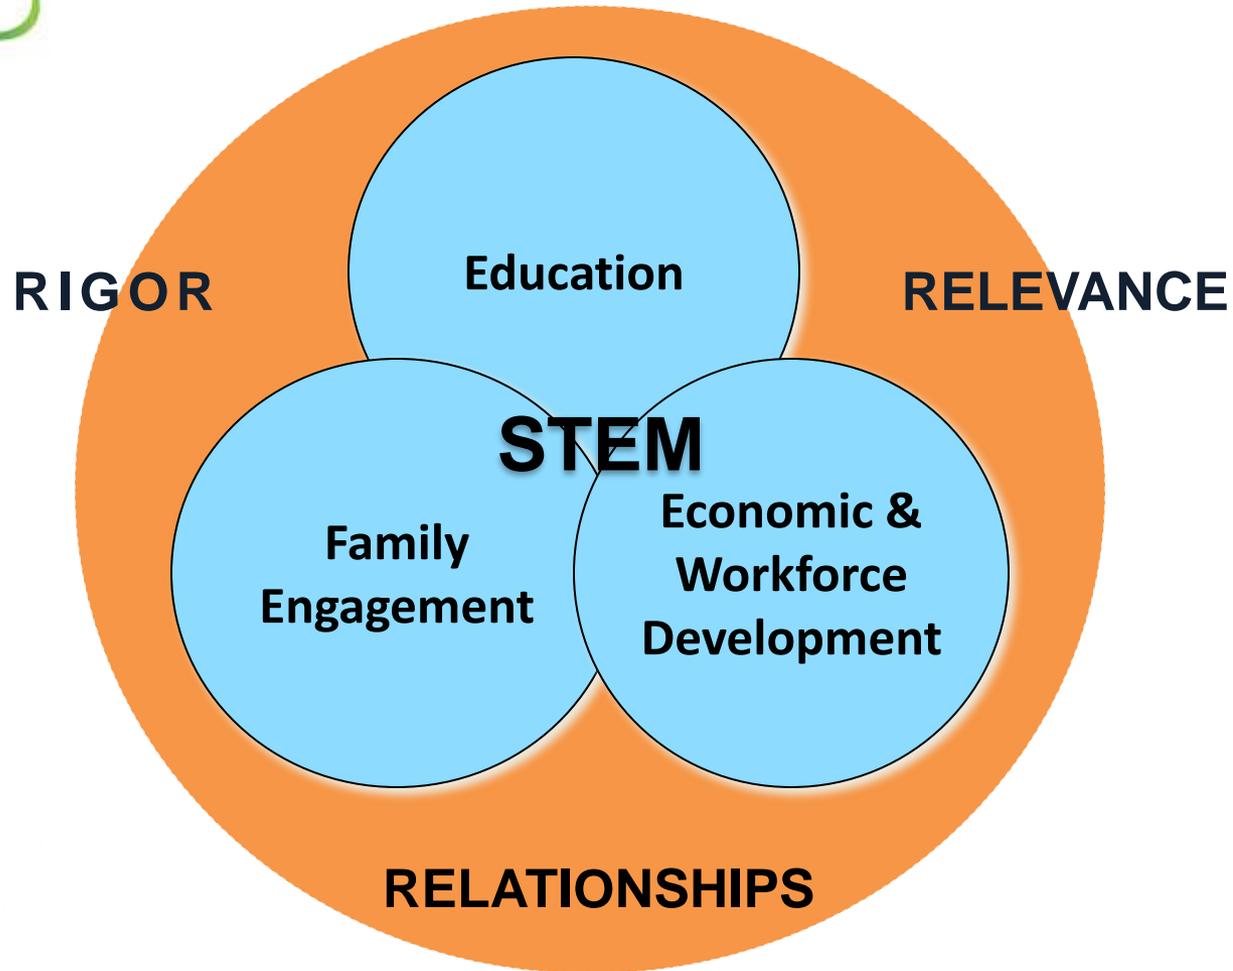

**Education:** To strengthen a standards-based, academically rigorous curriculum through relevant, hands-on learning opportunities provided by business, labor, and community partnerships.

**Family Engagement:** To provide family education, parent involvement activities, and literacy programs and resources through education institutions, businesses, and community/faith-based organizations.

**Economic and Workforce Development:** To utilize current systems of workforce preparation in order to effectively align common goals and resources and deliver services, education and/or training to students and adults countywide.
