

# ELECTRIC VEHICLES ARE NOW PART OF THE RIDESHARE PROGRAM!

*Ride alone or with others to work!*

**Earn a \$250 cash incentive from Commuter Services when you track your ZEV or PHEV rideshare an average of 12 days per month over six months and provide proof of purchase.**

## **Program Guidelines:**

The SCAQMD now gives employers the opportunity to offer Electric Vehicle credit to employees who travel to work in a Zero Emissions Vehicle (ZEV) or a Plug-In Hybrid Vehicle (PHEV). Employees who commute in a PHEV are eligible only if the distance between the employee's worksite and home is within the vehicle manufacturer's stated vehicle mileage range on a single electric charge.

The employee cannot take credit if the one-way distance between the worksite and employee's home is more than the PHEV's range on a full electric charge (or if the engine switches to the gas operation).
