GIRLS CIRCLE

Specializes in programs built on the research-based model proven to increase girls' self-efficiency, body image and social support.

To enroll, please call (909) 387-7349

PRESENTATIONS

Upon request presentations are available on topics such as; Anger Management, Bullying, Drug & Alcohol, and Truancy. These presentations are offered in assembly style. **To enroll, please call (909) 387-7285, 387-7349, 387-7784, or 387-7347**

Level 1 & 2 classes follow NCTI (National Curriculum & Training Institute) curriculums. All of these curriculums are cognitively designed, evidenced-based, and researched-proven, and have been demonstrated to be effective in changing behavior and reducing recidivism rates. Additionally, the American Probation and Parole Association (APPA) has partnered with NCTI to assist in providing these curriculums to community corrections practitioners throughout North America.

Call for more information

ANGER MANAGEMENT

This program is designed to teach youth personal skills to deal responsibly with stress and frustration. It also demonstrates to them the need to acknowledge the consequences of their behavior. It focuses on cause and effect and teaches youth to recognize their personal warning signals when emotions begin to get out of hand. In this skill-based program, individuals learn what they must do to avoid confrontational situations and how to manage their emotions and develop alternative behavioral responses.
To enroll, please call (909) 387-7284

DRUG & ALCOHOL

The program focuses on the area of self-esteem, interpersonal relationships, work ethic, self-direction and alternatives. This program explores patterns of use and contributing attitudes. The individual learns how to face the challenges of abstinence and altering present substance abusing behavior patterns. **To enroll, please call (909) 387-7347**

MATRIX

This is a 16-week intensive outpatient drug class. The program includes education, peer support and individual counseling. **To enroll, please call (909) 387-7347**

PARENT PROJECT

This program teaches parents how to address many of the pressing issues that teens face today. Topics covered deal with gangs, alcohol, truancy, poor grades and destructive behavior. This class is designed specifically for parents of strong willed, out of control adolescents. **There is a $25.00 material fee to attend this class. To enroll, please call (909) 387-7284 or (Spanish) (909) 387-7349**

THE COUNCIL

The Council is a strengths-based group approach to promote boys' and young men's safe and healthy passage through pre-teen and adolescent years. You will find The Council meets a core developmental need in boys for positive relationships. In this healthy and structured environment, boys and young men gain the vital opportunity to address masculine definitions and behavior and build their capacities to find their innate value and create good lives. **To enroll, please call (909) 387-7284 or 387-7285**

ALIVE AT 25

In an ongoing effort to save lives, the National Safety Council offers this program to help youthful drivers learn responsibility, defensive driving skills and confidence instead of using bravado when facing dangerous situations on the road. **This is a 1-day, 4-hour class with a $25.00 fee. To enroll, please call (909) 387-7285**

SHOPLIFTING

This program focuses on the reasons a person shoplifts, and how to behave differently when faced with a similar situation. The program shows how attitudes can override a person's sense of right and wrong and cause behavior that is contrary to his or her beliefs. Participants regain the self-confidence they lost by committing the offense, and strengthen their ability to act in accordance with what they believe. **This is a 1-day, 2-hour class with a $25.00 fee. To enroll, please call (909) 387-7285**

TRUANCY

This program helps youth understand the relevance of school and prompts them to set concrete goals for graduation. They learn skills that are necessary to be successful in school. They will examine the reasons for failing to attend school with an emphasis on identifying solutions to encourage attendance. **To enroll, please call (909) 387-7349**

GRAFFITI

This program focuses on the effects of vandalism. It provides the understanding of how graffiti hurts homeowners, businesses, schools, communities and individuals. It teaches that those who practice vandalism risk personal injury, violence and arrest. **To enroll, please call (909) 387-7285.**
