2 County Code is amended, to read:

3 **16.0207A County Fee: Booking or Other Processing Services.**

4 A criminal justice administrative fee for booking or other processing in the
5 maximum amount of \$102.42 is imposed. The fee is imposed upon a city, special
6 district, school district, community college district, college, or university for each person
7 arrested by an employee of that entity and brought to a County detention facility or jail
8 for booking or detention. For purposes of this subsection, an "employee" shall include
9 any person making an arrest on behalf of an agency enumerated above, including
10 those arrests made on behalf of an agency contracting for law enforcement services
11 with the County. The criminal justice administrative fee shall apply to any arrest
12 attributable to an above-specified entity where an arrestee is brought to a County
13 detention facility or jail for booking or detention.

14 The criminal justice administrative fee shall only apply to original or "fresh"
15 arrests, and shall not apply to holds placed, commitments, warrants, remands, bail
16 bond surrenders, enroutes (temporary holds placed by agencies transporting
17 prisoners), temporary detention at a court facility where the arrestee has been
18 previously booked at a County detention facility, orders of production, orders of return,
19 rollups (inmates returning from work release), or escapees from county, state or federal
20 detention or corrections facilities. The criminal justice administrative fee shall not be
21 charged when multiple law enforcement agencies participate in a particular arrest and
22 one of the agencies is the San Bernardino County Sheriff's Department not acting on
23 behalf of a contract law enforcement city, or when a formal task force, as defined by
24 Government Code section 29550(b)(8), has made the arrest, or where an arrest is
25 made during any riot, disturbance, or event that is subject to a declaration of state of
26 emergency by the Governor, or where such fee is otherwise prohibited by law.

27 The criminal justice administrative fee shall apply to all applicable booking or
28 other processing services rendered on or after July 1, 1990. The County shall prepare

1 and send invoices to each city, special district, school district, community college
2 district, college, or university, and said invoices shall include the name of each arrestee
3 for which an agency is billed and the date(s) the services were provided. An invoice
4 shall be due and payable thirty (30) days after the date of the invoice. Delinquent fees
5 may be reimbursed through offset, provided such offset is not prohibited by law.

8 (b) Fee Adjustments:

9 Whenever use of a disposal site financed by land use fees is restricted by order
10 of the Board of Supervisors and refuse is thereby hauled to other sites, the
11 Board of Supervisors may permit acceptance of such refuse without charge at
12 the receiving sites.

13 (c) Solid Waste Management Disposal Facility Fees:

14 (1) The following annual refuse disposal land use fees, based on the County

18 relevant data base does not disclose sufficient building size or unit
19 information to determine the correct category for a particular parcel, said
20 parcel shall be charged as though it were the third smallest sized
21 category if there are five or six size categories. If paid, such land use
22 fees shall constitute, relative to ordinary refuse (excluding demolition
23 waste, tires and hard to handle and special handling items) generated on
24 the parcel of property for which the fee is paid, payment of the ordinary
25 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the
26 passenger/light use vehicle and trailer fee as set forth in Subsection

27 (3) Solid waste management disposal site fee for sites which do not charge a
28 fee upon entrance. Disposal facility users who have not paid a disposal

1 facility usage fee as a part of a land use fee, contract arrangement with
2 the Solid Waste Management Division, or through refuse hauler permit
3 fee shall pay a fee equal to the respective ordinary refuse, tires, and
4 other fees (as applicable) as set forth in Subsection 16.0222(a), and to
5 the extent applicable, any surcharges as set forth in Subsection
6 16.0222(h).

7 (d) Contracts with Cities or Other Users of the Refuse Disposal Sites:

8 Notwithstanding any other provision of this Section 16.0222, the method of
9 calculation of the disposal facility usage fee owed by a city or any other user of a
10 refuse disposal site may be established by written agreement between such city
11 (or other user, as the case may be) and the County. Upon expiration or
12 termination of any such written agreement, the disposal facility usage fee
13 otherwise set forth in the appropriate subsection of this Section 16.0222 shall
14 again be applicable.

15 (e) Septic Tank Pumping:

16 Any permitted cesspool septic tank pumper in San Bernardino County who

19 Division for such disposed liquid based upon the gallon capacity of the septic
20 vehicle. Said fee shall be \$10.29 per 100 gallons.

21 (f) Disposal Fee:

22 Each refuse hauler using a County disposal facility that does not levy a fee at
23 entry by weight, shall pay a permit fee based upon a per capita per month rate
24 applicable to the specific incorporated city served. Per capita rates shall be
25 established consistent with either:

- 26 (1) The number of Equivalent Single Family Residential ("ESFR") units
27 contained within the municipal boundary and computed at the current
28 ESFR rate applicable to the unincorporated area of the County

1 surrounding said City; or

2 (2) By measured estimates of annual tonnage delivered to County landfills
3 and computed at the current rate per ton charged at the refuse disposal
4 site located nearest to said City.

5 Current California Department of Finance population estimates for each city
6 shall be used as a basis for determining the population of each city. Per capita
7 rates, when requested, shall be available only to haulers serving cities having
8 contract use agreements with the Solid Waste Management Division. Payment
9 of the permit fee shall not constitute payment of any fee required in section
10 16.0222 for the disposal of tires or the handling of hard-to-handle or special
11 handling items.

12 (g) Contractually Set Disposal Fee:

13 Notwithstanding the provisions of Subsection 16.0222(f), the method of
14 calculation of the permit fee set forth in Subsection 16.0222(f) and the entity
15 obligated for the payment thereof may be established by written agreement
16 between any city and the County. Upon expiration or termination of any such

(c) Deposits for Developer Deposit Accounts and Project Trust Accounts – Land Use Services Department and Department of Public Works (collectively referred to in this subsection as “Department”):

An initial deposit is required for each actual cost service or process. The initial deposit is as specified in this Code. If no amount is specified, the initial deposit is the Department's initial estimate of the actual cost of the service or process. The Department may revise its estimate at any time during the processing of the project. If a revised estimate is higher than a previous estimate, the Department

1 may require an additional deposit. Notice of any required additional deposit
2 shall be mailed (including e-mail) to the applicant. The notice shall include the
3 date by which the deposit must be made, and shall inform the applicant that
4 unless provision for payment is made by the date specified, the application will
5 be deemed denied without prejudice, without further action by the County.
6 Notwithstanding Section 86.08.010 of this Code, any such denial without
7 prejudice is not appealable. Each estimate shall be a good faith attempt to
8 determine the probable actual cost of the service or process, based on the
9 nature of the project, the department's experience in processing similar services
10 or processes, and applicable rates. Initial deposits and any additional deposits
11 for all services or processes related to a project shall be placed and combined
12 into a Project Trust Account. Such combined deposited funds will be utilized as
13 the source of payment for any flat fee service, security deposit, or actual cost
14 service on that project. In addition, deposits may also be placed in a Developer
15 Deposit Account. Deposited funds in a Developer Deposit Account may be
16 used by an individual or entity to fund various Project Trust Accounts.

17 (d) Applicant's obligation to pay actual cost – Land Use Services Department and
18 Department of Public Works:

19 The applicant shall pay the actual cost of the project, regardless of any estimate;
20 except that the applicant is not obligated for costs incurred after the applicant
21 delivers to the Department of Public Works and/or the Land Use Services
22 Department either an unconditional written withdrawal of the application, or a
23 written notice to stop work which includes a waiver of any applicable time limits
24 for processing the application.

25 (e) Amounts of \$10.00 or less:
26 Pursuant to Government Code section 29373.1, the applicant shall not be
27 required to pay a balance of \$10.00 or less.

28 (f) Additional invoices necessitated by lack of response by the applicant will be

1 charged to the actual cost application.

2 (g) Refunds:

3 Refunds of fees collected by the Land Use Services Department and the
4 Department of Public Works shall be made as follows:

5 (1) Except as otherwise provided in this section, any fee collected in error
6 shall be refunded.

7 (2) Unused deposit monies on actual cost projects shall be refunded when all
8 charges for the project have been recorded.

9 (3) Pursuant to Government Code section 29375.1, the County shall not be
10 required to pay a refund of \$10.00 or less.

11 (4) Planning refunds:

12 (A) If an application, filed in error due to erroneous staff advice, is later
13 required to be withdrawn, processing fees shall be refunded
14 regardless of the extent of work done in processing the
15 application.

16 (B) If the applicant fails to submit required information within the
17 allocated time, or voluntarily withdraws the application before
18 acceptance and before staff work on the projects has commenced,
19 any fee paid, less \$60.00, shall be refunded.

20 (C) If the applicant withdraws a Land Use Services Department
21 application during processing, any fee paid, less \$60.00, shall be
22 refunded, except as follows:

23 (I) Actual cost applications. All actual costs incurred on an
24 actual cost application shall be deducted from the refund.

25 (II) Average cost application. For average cost applications,
