3 **16.0222 Refuse Disposal.**

4 (a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee  
5 Upon Entrance:

6 Fees

7 (1) (A) Ordinary refuse.....\$47.25/ton

8 (B) Ordinary refuse subject to the Comprehensive Disposal  
9 Site Diversion Program (AB 939 Fee) .....\$12.00/ton

10 (This fee is charged in addition to the per ton gate fee set forth in  
11 Subsection (a)(1)(A) above. This fee is charged on solid waste  
12 brought to a facility at which the Comprehensive Disposal Site  
13 Diversion Program has been implemented, unless such solid  
14 waste is: waste from a franchised or permitted waste hauler (or  
15 from a city, if the city collects its citizens' waste) and is brought in a  
16 front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or  
17 waste brought from a Materials Recovery Facility or where  
18 collection or processing includes a recycling component and the  
19 waste contains only an incidental amount of inseparable recyclable  
20 materials; or waste generated by a commercial enterprise that has  
21 been reviewed and determined by the County of San Bernardino  
22 Department of Public Works–Solid Waste Management Division to  
23 be sufficiently source separated as to not contain more than an  
24 incidental amount of inseparable recyclable materials.)

25 (2) Uncovered/Unsecured Loads

26 To encourage the entrance into County waste facilities of loads that are  
27 properly secured or covered pursuant to applicable State or local laws  
28 and in deflection of the additional costs incurred because of waste

1 escaping such vehicles, loads brought to such facilities which are not  
2 properly secured or covered will be required to pay an additional Solid  
3 Waste Management Disposal Site Fee equal to the normal applicable  
4 disposal gate fee (including any applicable perchlorate add-on fee) for  
5 such waste. This will apply to both minimum and per ton loads, and also  
6 loads which would otherwise pay no gate fee, given the payment of a  
7 Land Use Fee pursuant to the provisions of Section 16.0222(c).

8 (b) Fee Adjustments:

9 Whenever use of a disposal site financed by land use fees is restricted by order  
10 of the Board of Supervisors and refuse is thereby hauled to other sites, the  
11 Board of Supervisors may permit acceptance of such refuse without charge at  
12 the receiving sites.

13 (c) Solid Waste Management Disposal Facility Fees:

14 (1) The following annual refuse disposal land use fees, based on the County  
15 Assessor's Land Use Codes, shall apply in the following areas. Where  
16 the Land Use Fee for any Use Code contains a schedule of fees based  
17 on the building size or number of dwelling units per parcel, but the  
18 relevant data base does not disclose sufficient building size or unit  
19 information to determine the correct category for a particular parcel, said  
20 parcel shall be charged as though it were the third smallest sized  
21 category if there are five or six size categories. If paid, such land use  
22 fees shall constitute, relative to ordinary refuse (excluding demolition  
23 waste, tires and hard to handle and special handling items) generated on  
24 the parcel of property for which the fee is paid, payment of the ordinary  
25 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the

10 refuse disposal site may be established by written agreement between such city  
11 (or other user, as the case may be) and the County. Upon expiration or  
12 termination of any such written agreement, the disposal facility usage fee

11 handling items.

12 (g) Contractually Set Disposal Fee:

13 Notwithstanding the provisions of Subsection 16.0222(f), the method of

(c) Deposits for Developer Deposit Accounts and Project Trust Accounts – Land Use Services Department and Department of Public Works:

An initial deposit is required for each actual cost service or process. The initial deposit is as specified in this Code. If no amount is specified, the initial deposit is the Department's initial estimate of the actual cost of the service or process. The Department may revise its estimate at any time during the processing of the project. If a revised estimate is higher than a previous estimate, the Department

1 may require an additional deposit. Notice of any required additional deposit  
2 shall be mailed (including e-mail) to the applicant. The notice shall include the  
3 date by which the deposit must be made, and shall inform the applicant that  
4 unless provision for payment is made by the date specified, the application will  
5 be deemed denied without prejudice, without further action by the County.  
6 Notwithstanding Section 86.08.010 of this Code, any such denial without  
7 prejudice is not appealable. Each estimate shall be a good faith attempt to  
8 determine the probable actual cost of the service or process, based on the  
9 nature of the project, the department's experience in processing similar services  
10 or processes, and applicable rates. Initial deposits and any additional deposits  
11 for all services or processes related to a project shall be placed and combined  
12 into a Project Trust Account. Such combined deposited funds will be utilized as  
13 the source of payment for any flat fee service, security deposit, or actual cost  
14 service on that project. In addition, deposits may also be placed in a Developer  
15 Deposit Account. Deposited funds in a Developer Deposit Account may be  
16 used by an individual or entity to fund various Project Trust Accounts.

17 (d) Applicant's obligation to pay actual cost – Land Use Services Department and  
18 Department of Public Works:

19 The applicant shall pay the actual cost of the project, regardless of any estimate;  
20 except that the applicant is not obligated for costs incurred after the applicant  
21 delivers to the Department either an unconditional written withdrawal of the  
22 application, or a written notice to stop work which includes a waiver of any  
23 applicable time limits for processing the application.

24 (e) Amounts of \$10.00 or less:

25 Pursuant to Government Code section 29373.1, the applicant shall not be  
26 required to pay a balance of \$10.00 or less.

27 (f) Additional invoices necessitated by lack of response by the applicant will be  
28 charged to the actual cost application.

1 (g) Refunds:  
2 Refunds of fees collected by the Land Use Services Department and the  
3 Department of Public Works shall be made as follows:

4 (1) Except as otherwise provided in this section, any fee collected in error  
5 shall be refunded.

6 (2) Unused deposit monies on actual cost projects shall be refunded when all  
7 charges for the project have been recorded.

8 (3) Pursuant to Government Code section 29375.1, the County shall not be  
9 required to pay a refund of \$10.00 or less.

10 (4) Planning refunds:

11 (A) If an application, filed in error due to erroneous staff advice, is later  
12 required to be withdrawn, processing fees shall be refunded  
13 regardless of the extent of work done in processing the  
14 application.

15 (B) If the applicant fails to submit required information within the  
16 allocated time, or voluntarily withdraws the application before  
17 acceptance and before staff work on the projects has commenced,  
18 any fee paid, less \$60.00, shall be refunded.

19 (C) If the applicant withdraws a Land Use Services Department  
20 application during processing, any fee paid, less \$60.00, shall be  
21 refunded, except as follows:

22 (I) Actual cost applications. All actual costs incurred on an  
23 actual cost application shall be deducted from the refund.

24 (II) Average cost application. For average cost applications,  
25 the following percentages of the fee paid shall be refunded,
