3 **16.0222 Refuse Disposal.**

4 (a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee
5 Upon Entrance:

6 Fees

7 (1) (A) Ordinary refuse.....\$47.25/ton

8 (B) Ordinary refuse subject to the Comprehensive Disposal
9 Site Diversion Program (AB 939 Fee)\$12.00/ton

10 (This fee is charged in addition to the per ton gate fee set forth in
11 Subsection (a)(1)(A) above. This fee is charged on solid waste
12 brought to a facility at which the Comprehensive Disposal Site
13 Diversion Program has been implemented, unless such solid
14 waste is: waste from a franchised or permitted waste hauler (or
15 from a city, if the city collects its citizens' waste) and is brought in a
16 front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or
17 waste brought from a Materials Recovery Facility or where
18 collection or processing includes a recycling component and the
19 waste contains only an incidental amount of inseparable recyclable
20 materials; or waste generated by a commercial enterprise that has
21 been reviewed and determined by the County of San Bernardino
22 Department of Public Works–Solid Waste Management Division to
23 be sufficiently source separated as to not contain more than an
24 incidental amount of inseparable recyclable materials.)

25 (2) Uncovered/Unsecured Loads

26 To encourage the entrance into County waste facilities of loads that are
27 properly secured or covered pursuant to applicable State or local laws
28 and in deflection of the additional costs incurred because of waste

1 escaping such vehicles, loads brought to such facilities which are not
2 properly secured or covered will be required to pay an additional Solid
3 Waste Management Disposal Site Fee equal to the normal applicable
4 disposal gate fee (including any applicable perchlorate add-on fee) for
5 such waste. This will apply to both minimum and per ton loads, and also
6 loads which would otherwise pay no gate fee, given the payment of a
7 Land Use Fee pursuant to the provisions of Section 16.0222(c).

8 (b) Fee Adjustments:

9 Whenever use of a disposal site financed by land use fees is restricted by order
10 of the Board of Supervisors and refuse is thereby hauled to other sites, the
11 Board of Supervisors may permit acceptance of such refuse without charge at
12 the receiving sites.

13 (c) Solid Waste Management Disposal Facility Fees:

14 (1) The following annual refuse disposal land use fees, based on the County
15 Assessor's Land Use Codes, shall apply in the following areas. Where
16 the Land Use Fee for any Use Code contains a schedule of fees based
17 on the building size or number of dwelling units per parcel, but the
18 relevant data base does not disclose sufficient building size or unit
19 information to determine the correct category for a particular parcel, said
20 parcel shall be charged as though it were the third smallest sized
21 category if there are five or six size categories. If paid, such land use
22 fees shall constitute, relative to ordinary refuse (excluding demolition
23 waste, tires and hard to handle and special handling items) generated on
24 the parcel of property for which the fee is paid, payment of the ordinary
25 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the
26 passenger/light use vehicle and trailer fee as set forth in Subsection
27 16.0222(h)(1), which may be otherwise due:
