Dear Homeowner:

Enclosed is a "Uniform Handling Exemption Request" for July 1, 2017 through June 30, 2018. In order to qualify for an exemption, you must submit three (3) sets of four (4) consecutive weekly disposal receipts, or one (1) set of four (4) consecutive weekly disposal receipts if you are a first time applicant, for the parcel you are applying for, from a County-owned landfill or transfer station along with the completed application and a \$15.00 **non-refundable** processing fee to the Solid Waste Management Division (SWMD).

Valid exemption requests received on or before June 30, 2017, will be effective on July 1, 2017. Valid exemption requests received after June 30, 2017 will not be effective until the first date of the next hauler billing cycle. For example, applications received between July 1, 2017 and September 30, 2017 will be effective October 1, 2017.

### Trash Collection Service Options

If you do not qualify for an exemption, you must subscribe to one of the following service options. Please contact Mountain Disposal at (909) 338-2417 to let them know which option is best for you.

- 1) You may subscribe to weekly residential curbside collection of trash and recyclables through Mountain Disposal. This service costs approximately \$23.00 per month and is billed quarterly, in advance, by Mountain Disposal.
- 2) You may subscribe to Clean Mountain Service drop-off service, which features convenient locations in Crestline, Green Valley Lake, Running Springs, and Lake Arrowhead where subscribers can drop off trash and recyclable materials. Clean Mountain Service costs, approximately \$16.00 per month, are billed quarterly, in advance, by Mountain Disposal. Enclosed you will find a map of Clean Mountain Service Sites along with addresses and hours of operation.

**Property owners that do not obtain an exemption or subscribe to curbside service will be automatically enrolled in Clean Mountain Service on July 1, 2017.**

This information is also available on the Department of Public Works website, <http://cms.sbcounty.gov/dpw/SolidWasteManagement.aspx>, or by contacting SWMD at (909) 386-8701.

Sincerely,
