#### Provider Network:

#### Shield Signature Network

This benefit plan uses a specific network of health care providers, called the Shield Signature provider network. This plan provides benefits at two different levels:

- **Shield Signature Level I (HMO participating providers):** Services must be provided or prior authorized by your primary care physician or medical group/IPA, with some exceptions. Please review your EOC for details about how to access care under this level.
- **Shield Signature Level II (PPO participating providers):** Services are provided by participating providers for outpatient professional services provided in an office setting. Any Copayment or Coinsurance is calculated from the allowable amount.

You are responsible for any Copayment or Coinsurance and any charges over the allowable amount. You can find participating providers in this network at blueshieldca.com.

#### Calendar Year Deductibles (CYD)<sup>2</sup>

A calendar year deductible (CYD) is the amount a member pays each calendar year before Blue Shield pays for covered services under the benefit plan. Blue Shield pays for some covered services before the calendar year deductible is met, as noted in the Benefits chart below.

### 1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the benefits, limitations, and exclusions that apply to coverage under this benefit plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Defined terms are in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

---

### 2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A deductible is the amount you pay each calendar year before Blue Shield pays for Covered Services under the benefit plan.

If this benefit plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

---

### 3 Using Shield Signature Level 1 and Shield Signature Level II Participating Providers:

Shield Signature Level I and Shield Signature Level II Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Your payment for services from "Other Providers." You will pay the Copayment or Coinsurance applicable to Shield Signature Level I and Shield Signature Level II Participating Providers for Covered Services received from Other Providers. However, Other Providers do not have a contract to provide health care services to Members and so are not Shield Signature Level I or Shield Signature Participating Providers. Therefore, you will also pay all charges above the Allowable Amount. This out-of-pocket expense can be significant.

---

### 4 Calendar Year Out-of-Pocket Maximum (OOPM):

Under Shield Signature Level I Participating Providers, your payment after you reach the calendar year OOPM.

Under Shield Signature Level II Participating Providers, you will continue to be responsible for Copayments or Coinsurance for Covered Services and for all expenses for Non-Covered Services.

Family coverage has an individual OOPM within the family OOPM. This means that the OOPM will be met for an individual who meets the individual OOPM prior to the family meeting the family OOPM within a Calendar Year.

---

### 5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

---

## Notes

---

### **6 Preventive Health Services:**

If you only receive Preventive Health Services during a physician office visit, there is no Copayment or Coinsurance for the visit under the Shield Signature Level 1 provider network. If you receive both Preventive Health Services and other Covered Services during the physician office visit, you may have a Copayment or Coinsurance for the visit.
