Mailing List Update	4

October 13, 2012 has been selected as the date for the 2012 Airshow.

The Department of Airports is making progress towards constructing a new fuel facility. Construction is planned to start in Spring 2012 and should be completed by years end.

As you may be aware the Café remains closed. The Solicitation of Proposal (SOP) concluded on November 30, 2011. It is my understanding that the County Real Estate Services Department received proposals from interested parties. A selection process will be followed and hopefully we can get the Café open soon.

APV Office Hours: 8:00 AM — 4:30 PM, Monday — Friday

Holiday closures - Jan. 16, Feb. 20

Director's Corner

I'd like to introduce a new member of the Department of Airports, Claire Herrera-Melhorn, who is joining the Department as the Staff Analyst II. In this role, Claire will have oversight for Department fiscal matters, but also be assisting with procurement, capital planning and department procedural matters. Claire comes to us from the County Recorders office. You can reach Claire at the Department administrative office in San Bernardino at 909-387-8810. WELCOME ABOARD!

The economic climate and its impact to the County airport system is continuing. The Department is continuing to review its methods of conducting business and is actively searching for new and more efficient methods. The Department is engaged in efforts to share administrative resources with the County Regional Parks Department, which is expected to yield significant cost savings and increase in efficiencies.

The Department extends its regrets to the family and friends of Mr Ron Caraway, who passed away recently.

Mike N. Williams A.A.E.
 Director, Department of Airports

2nd Thursday monthly:
 REACT.....7:00 PM

If you are planning a group gathering/meeting at your hangar and require gate access for your guests, please contact the Airport Manager's Office.

Airport Property Leasing Opportunities

Information available at the Airport Manager's Office.

Notice to Prospective Tenants

We have noted a significant increase in leasing activity, including assignments of existing leases and sub-leases with the County's airport tenants. The Department of Airports would like to remind prospective parties to such agreements to use prudent business practices while negotiating airport real estate transactions. The Department of Airports is required to review and approve all airport lease assignments and assumptions prior to execution.

What's Happening (*continued*)

BARSTOW-DAGGETT:

Phase II of the Electrical Upgrade plan is currently being finalized to replace the infrastructure for the remainder of the airfield lighting. This project should start sometime early next year.

You may have noticed some military activity recently conducted at the Airport. The Department of Airports strives to support our Military in any way we can. There will most likely be future operations conducted at the Airport. Please join us in supporting our Troops.

DAG Lobby Hours: 7:30 AM — 4:00 PM, Monday—Friday
Holiday closures - Jan. 16, Feb. 20

Department of Airports Mission Statement

"The San Bernardino County Department of Airports plans, organizes and directs the County's airport and aviation system to provide high-quality aviation facilities and services in a safe and efficient manner, optimizing the benefit to the communities and citizens of the County"

As always, feel free to stop by the Airport office or contact me for any concerns you may have.

Guiding Principles for Driving Safely on the Airport

- Aircraft have the right of way **AT ALL TIMES.**
- Travel no faster than 10 MPH
- Be vigilant—look and listen for aircraft.
- Comply with safety requests of airport personnel.
