

SAN BERNARDINO COUNTY

# SHERIFF'S DEPARTMENT

Gary Penrod  
Sheriff/Coroner

# Sheriff's Annual Report 2008-2009

As I'm writing this, we embark on what will be an extremely challenging period for both the County of San Bernardino and the Sheriff's Department. As you may already know, the Department is funded primarily on revenues from property taxes, and with the large number of foreclosures, coupled with declining home values, we will be facing difficult times. In times like these it is our responsibility to be even more vigilant in managing the Department's budget. We are always looking for ways to save money, and make the money we are entrusted with go further. It is a challenge, and at times like these I appreciate even more the support we receive from both the citizens of San Bernardino County, the Board of Supervisors and the Chief Administrative Officer, Mark Uffer. With that in mind I'd like to talk about a couple of accomplishments from 2008.

Our Department was chosen to receive \$100 million in Assembly Bill 900 funds. The award was announced at the conclusion of a competitive process in which 24 counties from around the state applied to share \$750 million dollars in jail expansion funding. The money will likely be received in early 2009, and has been earmarked to pay for the expansion of the Adelanto Detention Center. The funds will add about 1368 beds and I'm proud to report that our Department received the largest award in the state.

With a daily jail population of about 5,700 there is a whole series of issues to contend with. Not the least of which is medical care. The health care budget for our corrections bureau is \$17 million. Medications alone run \$3 million. One of the most labor-intensive tasks of the health care system is the packaging and delivery of medications. Prior to this year, seven nurses spent three hours per shift sorting and packaging medications. In 2008, our Health Services Department collaborated with Arrowhead Regional Medical in developing a program unique in the nation. Today, automated dispensing equipment packages 1500 medications in under 45 minutes. The computer-operated equipment saves time and money.

We partnered with District Attorney Mike Ramos in developing a Cold Case team to reopen homicide cases that had been closed for years. The team had amazing success in making a dozen arrests and clearing even more cases, including a couple that were 20 years old.

Our Marijuana Eradication Team had a banner year. They located sixteen large scale marijuana grows in our National Forest areas containing over 110,000 plants. These outdoor grows do significant long-term damage to pristine forest lands.

In a full-scale offensive against gangs in the high desert we launched Operation Desert Heat in late May. We received financial assistance from Supervisor Brad Mitzelfelt, as well as the cities of Victorville, Hesperia, Apple Valley and Adelanto, to spend a month concentrating on hi-intensity patrol. The California Highway Patrol, San Bernardino County Probation, and the Department of Corrections and Rehabilitation all helped out. A total of 1,203 arrests were made during the month and I am confident we made a positive impact on the quality of life in the high desert.

In conclusion, I would like to thank the over 3,000 employees, and 2,000 volunteers who make the San Bernardino County Sheriff's Department the finest law enforcement agency in the country. As an organization we are committed to ensuring the safety of residents and visitors to our county and providing the highest level of service attainable.

*Gary Penrod*  
*Sheriff/Coroner*

As the second-in-command, I am responsible for working closely with the Sheriff in running the Department's day-to-day operations. I have been with the Department since 1973, and have worked a variety of positions and assignments, including Corrections, Patrol, Detective, Patrol Sergeant, Lieutenant, Captain, and Deputy Chief.

I am a graduate of California State University San Bernardino and the Peace Officers Standards and Training Executive Development Course. I have been Sheriff Penrod's Undersheriff since 2005.

Together we oversee a staff of over 3,600 and a budget of \$442 million. San Bernardino County is geographically the largest in the nation, encompassing 20,186 square miles. There are 10 sheriff's stations in the unincorporated jurisdictions and 14 cities that contract with the Department for law enforcement services.

The San Bernardino County Sheriff's Department runs four correctional facilities with an average daily inmate population of 5,706. The Department processed 108,765 bookings at 11 facilities in 2008. The Sheriff's Food Services Division is responsible for feeding the inmate population, and in 2008 they served 7,397,854 meals.

I am honored to be assisted by Assistant Sheriff Rod Hoops who oversees Operations, which includes, Criminal Intelligence, Specialized Operations, and Patrol Regions I and II. Assistant Sheriff Warren Nobles is in charge of Support Operations which encompasses Administrative Services (Training), Support Services (Communications, Public Affairs, and Technical Services), Legislative Liaison, Court Services and Corrections.

The Office of the Sheriff also directly oversees Civil Liabilities, Internal Affairs and the Bureau of Administration.

Rounding out the Executive Staff are Deputy Chiefs Bill Abernathy, James Coronado, Bill Cates, Paul Cook, Glen Pratt, Ed Ripley, Sheree Stewart and Executive Officer John Fogerty.

*Richard Beemer*  
*Undersheriff*

# Mission Statement

---

*"Our Mission* is to provide professional public safety services to residents and visitors of San Bernardino County so they can be safe and secure in their homes and businesses."

# Vision Statement

---

*"We* Believe in being a high performance, inclusive department with high professional standards of integrity, ethics and behavior - guided by the letter and spirit of the law and the law enforcement code of ethics. We will relentlessly investigate criminal acts and arrest those guilty of violating the law, while building positive relationships with those we serve. This requires each of us to:"

- treat all people with respect, fairness and compassion;
  - value each employee's and citizen's contribution to the department and the community regardless of position, assignment or role;
  - create a work environment that encourages innovation, input and participation and values each member's diversity;
  - work in partnership with each other and the community to reach an environment where we are all accountable and responsible to one another.
-

# Exceptional Service Awards

Back in 1977, then Sheriff Frank Bland began the tradition of giving awards to deputies who had distinguished themselves for valor and meritorious service. In 1981, the awards became an annual event and an award for lifesaving was added. Sheriff Floyd Tidwell later formed a committee to handle the logistics and nomination process, and on February 21, 1989, the very first Exceptional Service Awards Ceremony was held. The ceremony took place at the University of Redlands Chapel and 25 deputies received awards.

Over the years the event has moved several times, and other details have changed. The ceremony, for example, is now held every other year. But the constant throughout the years remains the heroism, selfless conduct and bravery of the recipients.

The following individuals were the proud recipients for the 2006-2007 years:

## SHERIFF'S MEDAL FOR MERITORIOUS SERVICE

- Laura Addy** ,  
Deputy Sheriff
- William Busto** ,  
Deputy Sheriff
- Mike Cadwell** ,

--------------------	------------------------	----------------------

# Adelanto Detention Center

Opened in January of 2006, the Adelanto Detention Center is the Department's newest correctional facility. The Adelanto Detention Center is a former private correctional facility, purchased by the county and brought up to the standards of the California State Corrections Standards Authority.

The Adelanto Detention Center houses 706 inmates and has a staff of 150.

There are plans to add an additional 1368 beds to the Adelanto Detention Center. The construction will be funded by a \$100 million award which the Department will receive from the State of California's AB900 program.

# Central Detention Center

The Central Detention Center first opened in 1971 and served as the county's main jail for 20 years. The Central Detention Center was closed when the West Valley Detention Center opened in 1991. The facility was updated, and re-opened to handle bookings for east valley law enforcement agencies as well as the housing of federal inmates through a contract with the Federal Marshall's Service.

The Central Detention Center received 19,737 bookings in 2008, and had an average daily inmate population of 927.

The Central Detention Center is also the home of the Juvenile Intervention Program. The program which is run by the Public Affairs Division is designed to teach at-risk juveniles the realities of incarceration. Several times a month, a group of about 20 juveniles spend a day inside the jail while their parents are educated on gangs and symptoms of drug use.

# Glen Helen Rehabilitation Center

The Glen Helen Rehabilitation Center first opened in 1960 as a work camp and had a capacity of 100 male inmates. Situated on nine acres in Devore, the site was also the home of the Sheriff's Academy for many years until the academy was moved to its current location just north of the jail.

Today the Glen Helen Rehabilitation Center houses 1446 county inmates, most of whom are sentenced, and has a staff of 169. Glen Helen's female facility opened in 1988 with three dorm units housing sentenced inmates. A maximum security unit was opened in 2003 and houses both sentenced and pre-sentenced inmates.

Glen Helen is the home of the renowned INROADS program which continues to do an outstanding job of educating inmates and lowering recidivism. The average recidivism rate for inmates who complete INROADS is 40% compared to as high as 70% in other counties. Inmates attending INROADS receive instruction in vocational classes such as; auto body, landscaping, commercial baking, and print shop. In addition, inmates participate in anger management, substance abuse and general education diploma (GED) courses.

# West Valley Detention Center

Situated on over 20 acres of a former grape field, the 871,000 square foot West Valley Detention Center has a bed capacity of 3,072. The largest of the Department's jails, construction was completed in 1991 at a cost of \$130 million.

It requires over 600 employees to operate the facility which primarily houses pre-sentenced inmates who are attending criminal proceedings in the county. West Valley is also the primary booking facility for the County of San Bernardino with 52,698 bookings in 2008.

The Culinary Division prepared 3,647,899 meals during 2008 to feed West Valley's average daily population of 2,891.

West Valley is also the home of the Transportation Division which is responsible for transporting between 400 and 500 inmates daily to and from courthouses around the county.
