I understand that San Bernardino County Code Section 33.0805 Refuse Removal requires that all waste, which contains Garbage produced or accumulated in or about a residence, shall be removed from the premises at least once every seven (7) days to an approved Solid Waste Facility. In addition, I understand that all exemptions are conditional and that County Code Enforcement Officers may inspect my property to ensure proper visual and sanitary storage of trash or, if applicable, to ensure that my property is vacant. I also understand that valid complaints from my neighbors regarding the storage of trash on my property will result in the immediate loss of my exemption status. I certify under penalty of perjury that all waste from the premises will be properly handled and disposed of as required above. I understand that as a condition of the continuation of this exemption, my representative or I must obtain an application and re-apply for fiscal year 20/21, prior to July 1, 2020. I understand that, should it be approved, the County, for good cause, may revoke the exemption.
