Trash Collection Service Options

If you do not qualify for an exemption, you must subscribe to one of the following service options. Please contact Mountain Disposal at (909) 338-2417 to let them know which option is best for you.

- 1) You may subscribe to weekly residential curbside collection of trash and recyclables through Mountain Disposal. This service costs approximately \$26.00 per month and is billed quarterly, in advance, by Mountain Disposal.
- 2) You may subscribe to Clean Mountain Service drop-off service, which features convenient locations in Crestline, Green Valley Lake, Running Springs, and Lake Arrowhead where subscribers can drop off trash and recyclable materials. Clean Mountain Service costs, approximately \$19.00 per month, is billed quarterly, in advance, by Mountain Disposal.

Property owners that do not obtain an exemption or subscribe to curbside service will be automatically enrolled in Clean Mountain Service on July 1, 2021.

A property is not eligible for an exemption if it has been approved for a Short-Term Residential Rental Unit Permit. If a Short-Term Residential Rental Unit Permit is obtained after the approval of an exemption, the exemption is no longer valid. A \$15 application fee must be submitted with each application for an exemption request and is non-refundable.
