IV. PROPOSAL CONDITIONS

A. Authorized Signatures

All proposals must be signed by an individual authorized to bind the Proposer to the provisions of the RFP.

B. Term of Offer

Proposals shall remain open, valid and subject to acceptance anytime within nine (9) months after the Proposal submission.

C. Required Review

Proposers should carefully review this RFP for defects and questionable or objectionable material. Comments from Proposers concerning defects and objectionable material in this RFP must be made in writing and received by the RFP contact prior to the deadline for submission of questions identified in Section II or at least ten (10) calendar days before the Deadline for Proposals (whichever occurs last). This will allow issuance of any necessary amendments or addendums to the RFP. It will also help prevent the opening of a defective RFP and exposure of Proposals upon which an award could not be made. Protests based on any omission or error, or on the content of this RFP, may be disallowed if not submitted in writing to the attention of the RFP Contact, prior to the deadline for submission of questions identified in Section II or at least ten (10) calendar days before the Deadline for Proposals (whichever occurs last).

D. Incurred Costs

The County is not obligated to pay any costs incurred by Proposer in the preparation of a Proposal in response to this RFP. Proposers agree that all costs incurred in developing a Proposal are the Proposer's responsibility.

E. Amendments/Addendums to RFP

The County reserves the right to issue amendments or addendums to this RFP if the County considers that changes are necessary or additional information is needed.

Changes to a Proposal or withdrawal of a Proposal will only be allowed if a request is received prior to the Deadline for Proposals. No amendments or withdrawals will be accepted after the Deadline for Proposals.

F. Best Value Evaluation

As established in this RFP, the County realizes that criteria other than price are important and will award contract(s) based on the Proposal that best meets the needs of the County. The County seeks the optimal combination of quality, price, and various qualitative elements of the required Services that will provide the County the greatest or best value for its money.

G. Right of Rejection

Offers must comply with all of the terms of the RFP, and all applicable local, state, and federal laws, codes, and regulations. The County may reject as non-responsive any Proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP. Further, the County may reject a proposal from any entity that is a parent, affiliate, or subsidiary, or that is under common ownership, control, or management with any other entity submitting a Proposal in response to this RFP.

A Proposer may not qualify the Proposal nor restrict the rights of the County. If Proposer does so, the Proposal may be determined to be a non-responsive counter-offer and the Proposal may be rejected.

No Proposal shall be rejected, however, if it contains a minor irregularity, defect or variation. If the irregularity, defect or variation is considered by the County to be immaterial or inconsequential, the County may choose to accept the Proposal.

Minor irregularities may be waived by the Purchasing Agent when they are any of the following:

1. Do not affect responsiveness;
2. Are merely a matter of form or format;
3. Do not change the relative standing or otherwise prejudice other offers;
4. Do not change the meaning or scope of the RFP;
5. Are trivial, negligible, or immaterial in nature;
6. Do not reflect a material change in the work; or
7. Do not constitute a substantial reservation against a requirement or provision.

In such cases the Proposer will be notified of the deficiency in the Proposal and given an opportunity to correct the irregularity, defect or variation or the County may elect to waive the deficiency and accept the Proposal. The decision to provide a waiver shall in no way modify or compromise the overall purpose of the submittal, nor excuse the Proposer from compliance with all requirements if awarded a Contract.

This RFP does not commit the County to award a contract. The County reserves the right to reject any or all Proposals if it is in the best interest of the County to do so. The County also reserves the right to terminate this RFP process at any time.

H. Local Preference

The County of San Bernardino has adopted a Local Preference Policy. A local preference of five percent (5%) shall be applied in the cost evaluation of proposals or bids for goods, services, equipment, or a minor public work project, unless an exemption applies.

In a price-based bid, five percent (5%) will be deducted from the local vendor's proposed cost for the purpose of comparison when the local vendor's proposed cost is not the lowest. If the local vendor's bid is equal to or lower than the price of an otherwise successful non-local vendor after the 5% preference is applied, the local vendor will be given the opportunity to match the lowest quoted price. In a best value evaluation, five percent (5%) of the awardable points for cost will be added to the local vendor's score. If the local vendor's overall score is equal to or lower than that of an otherwise successful non-local vendor, the local vendor will be recommended for award.

“Due to the evaluation of qualitative elements along with cost in a best value evaluation, application of local preference for cost proposals may not result in award to a local vendor with the lowest cost after applying local preference.”

For purposes of the application of the local preference policy (County Policy 11-10), “principal place of business” is defined as the vendor's main office (or headquarters) or a major regional office. A “major regional office” is defined as a business location apart from the vendor's main office (or headquarters) which:

1. Has been issued a business license, if required, and has been established and open for a minimum of six months prior to the date that the approval authority authorizes the circulation of an RFP/RFQ/Quote for any contract, Contract, or purchase order to which it responds; and
2. Can demonstrate on-going business activity in the field of endeavor on which the vendor is proposing, from that office during the preceding six months; and
3. Has a minimum of twenty-five percent (25%) of the vendor's full time management employees and twenty-five percent (25%) of its full time regular employees working from the County location(s).

The County's Local Preference Policy means for example, if two Proposers are responding to this RFP and if quality, service and ability to meet the County's needs are equal, County staff must determine if

one of the Proposers is a local vendor. If one of the Proposers is a local vendor, and its quoted price or cost for services, equipment, goods or supplies does not exceed five percent (5%) of the other Proposer's quoted price or cost, unless it is determined that an exemption applies, staff should recommend the Local vendor for the contract award.

I. Clarification of Offers

In order to determine if a Proposal is reasonably susceptible for award, communications by the Facilitator for the evaluation panel are permitted with a Proposer to clarify uncertainties or eliminate confusion concerning the contents of a Proposal. Clarifications may not result in a material or substantive change to the Proposal. The evaluation by the panel may be adjusted as a result of a clarification under this section.

J. Public Records Act

All Proposals and other material submitted become the property of the County and are subject to release according to the California Public Records Act (Government Code § 6250). All Proposal information, including cost information, will be held in confidence during the evaluation and negotiation process. Thereafter, Proposals are subject to becoming a non-exempt public record.

If a Proposer believes that any portion of its Proposal is exempt from public disclosure, it must indicate the specific portions believed to be confidential and not subject to disclosure on Attachment I - Public Records Act Exemptions. The Proposer also must include a brief description that sets out the reasons for exemption from disclosure. Each stated exemption must include a citation to supporting legal authority, including statutory authority or case law, to support exemption from the Public Records Act. Requested exemptions that do not meet the requirements of this section will not be considered.

The County will use reasonable means to ensure that such information is safeguarded, but will not be held liable for inadvertent disclosure of the information. Proposals marked "Confidential" in their entirety will not be honored, and the County might not deny public disclosure of any portion of Proposals so marked.

By submitting a Proposal with portions identified in Attachment I as "Confidential," Proposer represents that it has a good faith belief that such portions are exempt from disclosure under the California Public Records Act. Proposer may be requested to obtain legal protection from disclosure should a Public Records Act request be received. In the event the County does not disclose the information marked "Confidential," Proposer agrees to reimburse the County for, and to indemnify, defend (with counsel approved by County) and hold harmless the County, its officers, employees, agents, and volunteers from and against any and all claims, damages, losses, liabilities, suits, judgments, fines, penalties, costs and expenses, including without limitation, attorneys' fees, expenses and court costs of any nature arising from or relating to the County's non-disclosure of any such designated portions of a Proposal.

K. Employment of Former County Officials

Information must be provided in Attachment G regarding former County Administrative Officials (as defined below) who are employed by or represent Proposer. The information provided must include a list of former County Administrative Officials who terminated County employment within the last five years and who are now officers, principals, partners, associates or members of Proposer and should also include the employment and/or representative capacity and the dates these individuals began employment with or representation of Proposer. For purposes of this section, "County Administrative Official" is defined as a member of the Board of Supervisors or such member's staff, Chief Executive Officer or member of such officer's staff, County department or group head, assistant department or group head, or any employee in the Exempt Group, Management Unit or Safety Management Unit.

Failure to provide this information may result in the Proposal being deemed non-responsive.

L. RESERVED

M. Disclosure of Criminal and Civil Proceedings

The County reserves the right to request the information described herein from the Proposer selected for Contract award. Failure to provide the information may result in a disqualification from the selection process and no award of Contract to the Proposer. The County also reserves the right to obtain the requested information by way of a background check performed by an investigative firm. The selected Proposer may also be asked to provide information to clarify initial responses. Negative information provided or discovered may result in disqualification from the selection process and no award of Contract.

The selected Proposer may be asked whether the firm, or any of its partners, principals, members, associates or key employees (as that term is defined herein), within the last ten years, has been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense arising directly or indirectly from the conduct of the firm's business, or whether the firm, or any of its partners, principals, members, associates or key employees, has within the last ten years, been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense involving financial misconduct or fraud. If the response is affirmative, the Proposer will be asked to describe any such indictments or charges (and the status thereof), convictions and the surrounding circumstances in detail.

In addition, the selected Proposer may also be asked to disclose whether the firm, or any of its partners, principals, members, associates or key employees, within the last ten years, has been the subject of legal proceedings as defined herein arising directly from the provision of services by the firm or those individuals. "Legal proceedings" means any civil actions filed in a court of competent jurisdiction, or any matters filed by an administrative or regulatory body with jurisdiction over the firm or the individuals. If the response is affirmative, the Proposer will be asked to describe any such legal proceedings (and the status and disposition thereof) and the surrounding circumstances in detail.

For purposes of this provision "key employees" includes any individuals providing direct service to the County. "Key employees" do not include clerical personnel providing service at the firm's offices or locations.

N. Debarment and Suspension; California Secretary of State Business Entity Registration.

Proposer certifies in Attachment D that neither it nor its principals or subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. (See Attachment D and the following United States General Services Administration's System for Award Management website <https://www.sam.gov>). Proposer also certifies in Attachment D that if it or any of the subcontractors listed in the Proposal are business entities that must be registered with the California Secretary of State, they are registered and in good standing with the Secretary of State.

O. Unsatisfactory Performance

Proposer affirms that it has no record of unsatisfactory performance with the County in the twenty-four (24) month period immediately preceding the date of issuance of this RFP.

P. Final Authority

The final authority to award a contract(s) as a result of this RFP rests solely with the County Board of Supervisors, or as delegated by the Board of Supervisors.

Any reasonable person reviewing for responsiveness must be able to ascertain that the Proposal meets these requirements.

The evaluation process includes the following categories, and may include additional specific criteria. Likewise, the listed considerations are possible considerations, and may not be the only factors involved in the evaluation.

Considerations: Proposer background and reputation, qualifications, experience with similar services and entities.

B. RESERVED.

C. TECHNICAL REVIEW

Weight: 20-35%

Considerations: Statement of understanding of the County's needs, work plan, scheduling.

D. RESERVED.

E. REFERENCES

Weight: 5-15%

Considerations: Satisfactory performance of similar work, demonstrated knowledge and expertise, work product.

F. INTERVIEW, PRESENTATION, OR DEMONSTRATION

Weight: 10-15%

Considerations: Content conveyed or demonstrated in person to the evaluation panel.

The County may, at its sole discretion, create a shortlist of Proposals for further evaluation; require an oral interview, presentation, or demonstration; and utilize outside experts to assist in the evaluation process; and/or issue a request for Best and Final Offer (BAFO) from one or more Proposers.

The County will establish an evaluation panel with responsibility for reviewing all Proposals and conducting the evaluation. A Facilitator will manage the integrity of the evaluation process and will not be a voting member of the evaluation panel. An initial meeting will be scheduled and held with the evaluation panel members, wherein the Facilitator will distribute all relevant documents to the evaluators including the RFP, evaluation worksheets for each Proposal, and written evaluation instructions.

After the initial meeting, evaluators will independently review and score the Proposals. The evaluation panel will then convene again to discuss the individual scores to resolve questions and to discuss the basis for individual scores, but not for the evaluators to agree upon scoring. At the end of this discussion, each evaluator will be given an option to revise his/her scores.

Evaluators will make independent determinations for scores, including review and understanding of any additional information obtained by the group discussion. In the event a score is revised, the evaluator will strike out the original score, document the new score, and provide comments to support the revision.

If clarifying information is needed at any point, the Facilitator will contact Proposer(s) to obtain the necessary information. The Facilitator will then provide the information to the evaluation panel electronically or verbally, as appropriate.

If the evaluation process includes components such as oral interviews, product demonstration, and/or site visits, the Facilitator will coordinate those with evaluators. Individual scoring and any subsequent evaluation panel meetings with respect to such components must be conducted.

Once all ratings are finalized and documented, the Facilitator will collect individual evaluation worksheets to create a final evaluation scoring worksheet.

VIII. NEGOTIATIONS AND NOTICE OF INTENT TO AWARD

The County intends to award one contract for this RFP. The County may require the potential Proposer(s) selected to participate in negotiations. This may include cost, technical, or other clarifications needed to make a decision.

A. Contract Negotiation

After selection, negotiations may be conducted with the Proposer(s) of the highest-ranked Proposal(s). Negotiations, if held, shall be within the scope of work in the request for Proposals. If the contract negotiations take place in San Bernardino County, California, the Proposer will be responsible for its travel and per diem expenses of its personnel.

B. Failure to Negotiate

If the selected Proposer:

1. Fails to provide the information required to begin negotiations in a timely manner; or
2. Fails to negotiate in good faith; or
3. Indicates it cannot perform the Contract within the budgeted funds available for the Services; or
4. If the Proposer and the County, after a good faith effort, simply cannot come to terms;

Then the County may terminate negotiations with the Proposer initially selected and commence negotiations with the next highest rated Proposer.

C. Notice of Intent to Award (NOIA) – Proposer Notification of Selection

After the completion of Contract negotiations a written or electronic Notice of Intent to Award (NOIA) and denial letters (or a copy of the NOIA) will be issued to all Proposers. The issuance date of the NOIA is the date the NOIA was delivered by email or into the care of the United States Postal Service for delivery to the Proposer.

D. RESERVED

E. Award

A Contract will be awarded based on a competitive selection of Proposals received. The contents of the Proposal of the successful Proposer will become contractual obligations and failure to accept these obligations in a Contract may result in cancellation of the award.

IX. APPEAL AND AWARD

In the event a dispute arises concerning the Proposal process prior to the award of the Contract, the Proposer raising the dispute shall submit a request for resolution in writing to the Purchasing Agent. Proposer may appeal the recommended award or denial of award (Protest), provided the Protest:

1. Is submitted in writing.
2. Is submitted within ten (10) calendar days of the issuance date of the NOIA.

A Protest can only be brought on the following grounds:

1. Failure of the County to follow the selection procedures and adhere to requirements specified in the RFP or any addenda or amendments.
2. Violation of conflict of interest as provided by California Government Code Section 87100 et seq.
3. Violation of State or Federal law.

Protests will not be accepted for any other reasons than those stated above. All Protests must be sent to:

Laurie Rozko, Director
San Bernardino County
Purchasing Department
777 E. Rialto Avenue
San Bernardino, CA 92415-0760

Upon receipt of the formal Protest, the Purchasing Agent, or his/her designee, will attempt to resolve the Protest. A Protest shall be disallowed when, in the judgment of the Purchasing Agent it has been submitted: (1) as a delay tactic; (2) for the purpose of posturing the Proposer advantageously for future procurement;

(3) in a form that deviates from the one prescribed; (4) without adequate factual basis or merit; or (5) in an untimely manner.

The Purchasing Agent shall make a decision concerning the appeal, and notify the Proposer submitting the Protest, within a reasonable timeframe prior to the tentatively scheduled date for awarding the Contract. The decision of the Purchasing Agent shall be deemed final.

Alternatively, at the Purchasing Agent's discretion, an Appeal Panel consisting of five (5) members appointed by the Purchasing Agent shall hear the Protest. The Proposer will be provided reasonable notice of the time, date and location of the hearing. In the event that a protesting Proposer does not appear at the Protest hearing as scheduled, the Protest will be disallowed.

The hearing is informal, in that it is not subject to the strict rules of evidence or procedure, and live witnesses, if any, will not be sworn. All relevant evidence is admissible, including hearsay. It will be up to the Appeal Panel members to consider the credibility of the evidence and the weight to give it.

The Panel will determine by at least three (3) affirmative votes: 1) whether the Protest was submitted timely; 2) whether the Protest is based on at least one of the three designated grounds identified above; and 3) whether the grounds on which the Protest are based have been substantiated.

If any of the grounds are determined to be valid, the Panel will also decide if the valid portion of the Protest has so tainted the RFP process that it is unfair to the Proposer or whether the valid grounds for the Protest are in the nature of harmless error and that the RFP process was fair to the Proposer. The Panel will not re-evaluate the Proposals.

The Purchasing Agent shall notify the Proposer making the Protest of the decision, within a reasonable timeframe prior to the tentatively scheduled date for awarding the Contract. The decision of the Appeal Panel shall be deemed final. If the Contract must be approved by the Board, after receiving a decision from the Purchasing Agent or Appeal Panel, the Proposer may then present its Protest to the Clerk of the Board of Supervisors for the Board's review and decision. The Proposer must file its written Protest with the Clerk of the Board or provide a verbal Protest (typically limited to three minutes) prior to the Board making a decision on the Contract. Any decision of the Board shall be deemed final.

A Proposer protesting the results of any of the processes described herein must follow the procedures set forth. By submitting a "Letter of Intent to Protest", the Proposer has agreed that the protest procedures herein shall precede any action in a judicial or quasi-judicial tribunal regarding this Proposal. Protests that do not follow these procedures shall not be considered. The protest procedures constitute the sole administrative remedy available to the Proposer under this RFP. Upon exhaustion of this remedy no additional recourse is available.

X. TERMS AND CONDITIONS
