

**GENERAL OVERVIEW**

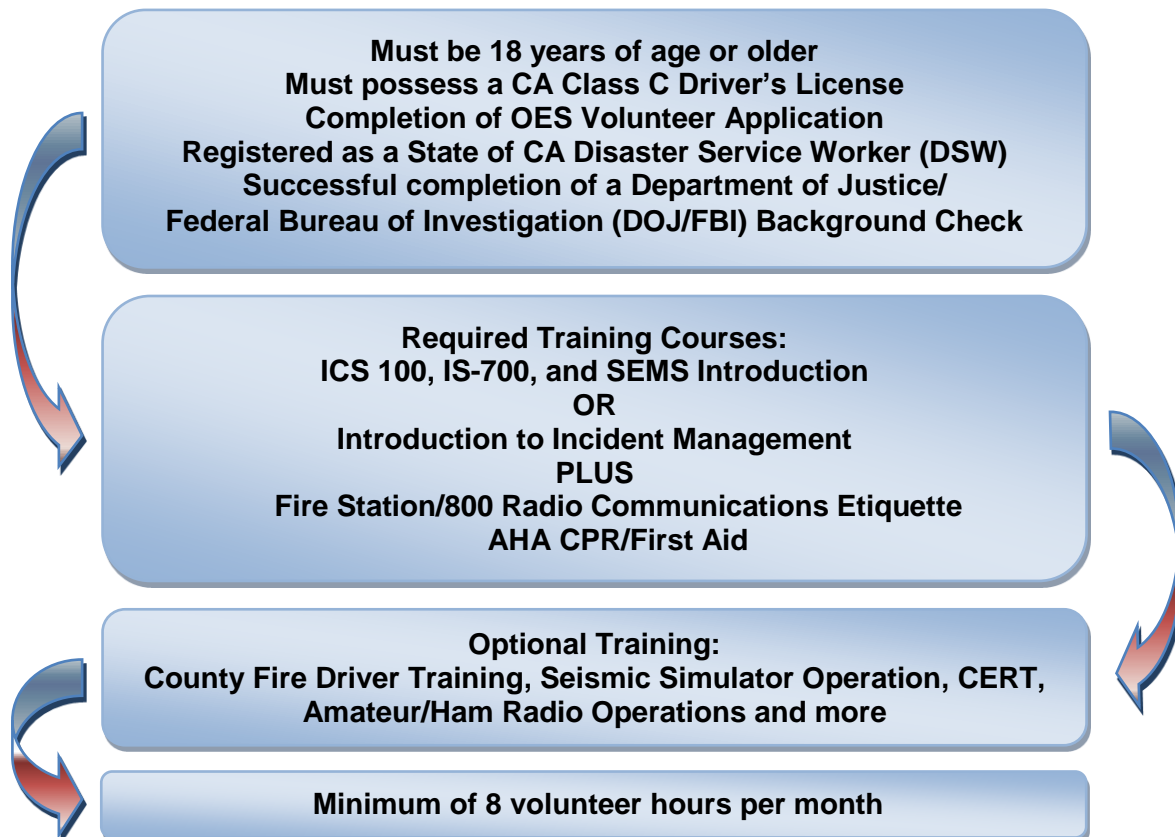

Emergency Services Support (ESS) is one of four volunteer groups under the Fire Corps Program administered by the San Bernardino County Fire, Office of Emergency Services. A Chief Officer will administer the operational responsibilities for ESS specific to the assigned fire station and the needs of the fire suppression personnel.

ESS volunteers are expected to properly learn and conduct tasks that will support fire suppression staff at each station on a day-to-day basis as well as the needs expected in the field during a small or large incident. This allows first responders to focus on operations and training while at the same time increasing the department's capacity and services. ESS volunteers will also support OES and PIO Divisions.

**TASKS/ACTIVITIES**

- On-Scene Incident Support\*
- Pre-shelter Reception\*
- Red Flag Warning Patrol
- Video/Photography
